

EQ-WOOD

PROJECT NO. 591939-EPP-1-2017-1-IT-EPPKA2-SSA
CO-FUNDED BY ERASMUS+ PROGRAMME
OF THE EUROPEAN UNION

Project goal

Definition of **INNOVATION ADVISOR**
profile into VET education
and training systems throughout Europe.
Creation of Innovation Advisor curriculum
offered both as a Full Qualification and
as a set of independent learning modules
mainly addressed to Continuing
Professional Development.

PARTNERS

Step 1

Step 2

Step 3

Step 4

JAN 2018

KICK OFF MEETING

FEB 2018

NEEDS ANALYSIS REVIEW AND QUALIFICATION DESIGN

Map skills needs requirements associated to the industry innovation; Design a new European qualification named "Innovation Advisor" to support wood and furniture SMEs to face existing challenges and opportunities; Validate the concept of the proposed qualification through a substantial stakeholders' consultation exercise;

OCT 2018

METHODOLOGICAL AND LEARNING CONTENT DEVELOPMENT

Design and develop innovative training methods and contents, as well as learning modules for continuing professional development (CPD) of adults already working in the industry and needing new competences oriented towards innovation (green economy, ICT, innovative marketing and customization approaches);

AUG 2019

PILOTING

Test the new qualification and the CPD training supply on at least 120 learners, among 60/80 young people and 40/60 adult workers in at least 40 enterprises; Experiment transnational mobility of teachers, trainers and learners and to learn from this experience to establish a basic mobility support structure across the countries involved;

JUL 2020

VALIDATION AND RECOGNITION OF LEARNING OUTCOMES

Experiment the validation of learning outcomes from work experience;

DEC 2020

END OF PROJECT

DISSEMINATION AND EXPLOITATION OF PROJECT RESULTS

- Disseminate and promote project results at national and European level, within the sector but also as a reference for other industrial or services sectors;
- Develop a body of know-how and organizational structure (Network) inspiring future sectoral qualification and training, as to support innovation and competitiveness of the EU woodworking and furniture industry.
