

EU/ITA/EXTRA EU Customers

Dear Customer

We are all still waiting for clarification from the EU Commission on the exact timing and details of the **implementation** of the new EU Regulation (EU) 1115/2023 EUDR, which is **currently scheduled for 30.12.2025**. For this reason, **unless otherwise instructed by the EU Commission**, we hereby inform you that, starting from that date, our sales documents (bill of goods and/or delivery notes and/or invoices) will show the following information for each item:

- Botanical name of the wooden species
- Country of origin/cutting
- **Labelling that will qualify each item and/or part thereof that is sold as EUTR/EUDR**

Example:

Product description:	European oak boards
Botanical name:	<i>quercus robur</i> (non-spp denomination)
Country of origin:	Croatia
Reference standard	EUTR (internal reference n° xxxx dated dd.mm.yyyy and/or ref. DD EUTR yyyy/xxx)
	Or
	EUDR Reference Number XXXXXXXXXXXXXXXX and Verification code xxxxxxxx if applicable

Any other information will be provided only if required by law.
